CUSTOMERS.**

Defendants.

Case No.

**AMENDED [PROPOSED] EX PARTE
TEMPORARY RESTRAINING
ORDER, SEIZURE ORDER AND
ORDER TO SHOW CAUSE RE
PRELIMINARY INJUNCTION**

FILED UNDER SEAL

Plaintiff Microsoft Corporation (“Microsoft”) has filed a complaint for injunctive and other relief pursuant to: (1) the Computer Fraud and Abuse Act (18 U.S.C. § 1030); (2) the CAN-SPAM Act (15 U.S.C. § 7704); (3) the Lanham Act (15 U.S.C. §§ 1114(a)(1), 1125(a), (c)); and (4) the common law of trespass, conversion and unjust enrichment. Microsoft has moved *ex parte* for an emergency temporary restraining order pursuant to Rule 65(b) of the Federal Rules of Civil Procedure, a seizure order pursuant to 15 U.S.C. § 1116(d), and an order to show cause why a preliminary injunction should not be granted.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Having reviewed the papers, declarations, exhibits, and memorandum filed in support of Microsoft's Application for *Ex Parte* Temporary Restraining Order, *Ex Parte* Seizure and Order to Show Cause Re Preliminary Injunction ("TRO Application"), the Court hereby makes the

1 following findings of fact and conclusions of law:

2 1. This Court has jurisdiction over the subject matter of this case and there is good
3 cause to believe that it will have jurisdiction over all parties hereto; the Complaint states a claim
4 upon which relief may be granted against the Defendants under the Computer Fraud and Abuse
5 Act (18 U.S.C. § 1030); CAN-SPAM Act (15 U.S.C. § 7704); the Lanham Act (15 U.S.C. §§
6 1114, 1125); and the common law of trespass to chattels, conversion and unjust enrichment.

7 2. Microsoft owns the registered trademarks "Microsoft", "Windows", and
8 "Hotmail", used in connection with its services, software, and products.

9 3. There is good cause to believe that Defendants have engaged in and are likely to
10 engage in acts or practices that violate the Computer Fraud and Abuse Act (18 U.S.C. § 1030);
11 CAN-SPAM Act (15 U.S.C. § 7704); the Lanham Act (15 U.S.C. §§ 1114, 1125); and the
12 common law of trespass to chattels, conversion and unjust enrichment, and that Microsoft is,
13 therefore, likely to prevail on the merits of this action.

14 4. There is good cause to believe that, unless the Defendants are restrained and
15 enjoined by Order of this Court, immediate and irreparable harm will result from the Defendants'
16 ongoing violations of the Computer Fraud and Abuse Act (18 U.S.C. § 1030); CAN-SPAM Act
17 (15 U.S.C. § 7704); the Lanham Act (15 U.S.C. §§ 1114, 1125); and the common law of trespass
18 to chattels, conversion and unjust enrichment. The evidence set forth in Microsoft's Application
19 for an Emergency Temporary Restraining Order, Seizure Order and Order to Show Cause Re
20 Preliminary Injunction ("TRO Motion"), and the accompanying declarations and exhibits,
21 demonstrates that Microsoft is likely to prevail on its claim that Defendants have engaged in
22 violations of the foregoing laws by: (1) intentionally accessing and sending malicious software to
23 Microsoft's and its customers' protected computers and operating systems, without authorization,
24 in order to infect those computers and make them part of the botnet; (2) sending malicious
25 software to configure, deploy and operate a botnet; (3) sending unsolicited spam e-mail to
26 Microsoft's Hotmail accounts; and (4) sending unsolicited spam e-mails that falsely indicate that
27 they are from or approved by Microsoft and that promote counterfeit pharmaceuticals and other
28 fraudulent schemes. There is good cause to believe that if such conduct continues, irreparable

1 harm will occur to Microsoft and the public, including Microsoft's customers. There is good
2 cause to believe that the Defendants will continue to engage in such unlawful actions if not
3 immediately restrained from doing so by Order of this Court.

4 5. There is good cause to believe that immediate and irreparable damage to this
5 Court's ability to grant effective final relief will result from the sale, transfer, or other disposition
6 or concealment by Defendants of the botnet command and control software that is hosted at and
7 otherwise operates through the 96 Internet Protocol (IP) addresses and the Internet domains at
8 issue in Microsoft's TRO Application and from the destruction or concealment of other
9 discoverable evidence of Defendants' misconduct available at those locations if the Defendants
10 receive advance notice of this action. Based on the evidence cited in Microsoft's TRO
11 Application and accompanying declarations and exhibits, Microsoft is likely to be able to prove
12 that: (1) the Defendants are engaged in activities that directly violate U.S. law and harm Microsoft
13 and the public, including Microsoft's customers; (2) the Defendants have continued their unlawful
14 conduct despite the clear injury to the foregoing interests; (3) the Defendants are likely to delete or
15 relocate the botnet command and control software at issue in Microsoft's TRO Application and
16 the harmful, malicious, and trademark infringing software disseminated through these IP
17 addresses and domains and to warn their associates engaged in such activities if informed of
18 Microsoft's action. Microsoft's request for this emergency *ex parte* relief is not the result of any
19 lack of diligence on Microsoft's part, but instead is based upon the nature of Defendants' unlawful
20 conduct. Therefore, in accordance with Fed. R. Civ. P. 65(b) and 15 U.S.C. § 1116(d), good
21 cause and the interests of justice require that this Order be Granted without prior notice to the
22 Defendants, and accordingly Microsoft is relieved of the duty to provide the Defendants with prior
23 notice of Microsoft's motion.

24 6. There is good cause to believe that the Defendants have engaged in illegal activity
25 using the data centers and/or Internet hosting providers identified in Appendix A to host the
26 command and control software and the malicious botnet code and content used to maintain and
27 operate the botnet at computers, servers, electronic data storage devices or media at the IP
28 addresses identified in Appendix A.

1 7. There is good cause to believe that to immediately halt the injury caused by
2 Defendants, each of the data centers and Internet hosting providers identified in Appendix A must
3 be ordered to immediately disable the IP addresses set forth in Appendix A; to disconnect
4 Defendants' computing resources related to such IP addresses from the Internet; to cause
5 Defendants' computing resources related to such IP addresses to remain disconnected from the
6 Internet; to prevent Defendants and others from accessing computer resources related to such IP
7 addresses; and to prevent the destruction of data and evidence located on those computer
8 resources.

9 8. There is good cause to believe that to immediately halt the injury caused by
10 Defendants, and to ensure that future prosecution of this case is not rendered fruitless by attempts
11 to delete, hide, conceal, or otherwise render inaccessible the software components that distribute
12 unlicensed copies of Microsoft's registered trademarks and carry out other harmful conduct, with
13 respect to the most current, active command and control IP addresses hosted at data centers
14 operated by ECommerce, Inc.; FDCservers.net, LLC; Wholesale Internet, Inc.; Burstnet
15 Technologies, Inc. d/b/a Network Operations Center, Inc.; and Softlayer Technologies, Inc., the
16 United States Marshals Service in the judicial districts where the data centers are located should
17 be directed to seize, impound and deliver into the custody of third-party escrow service Stroz
18 Friedberg, 1925 Century Park East, Suite 1350, Los Angeles, CA 90067, all such computers,
19 servers, electronic data storage devices, software, data or media associated with the IP addresses
20 listed in Appendix A.

21 9. There is good cause to believe that the Defendants have engaged in illegal activity
22 using the Internet domains identified at Appendix B to this order to host the command and control
23 software and content used to maintain and operate the botnet. There is good cause to believe that
24 to immediately halt the injury caused by Defendants, each of the domain registries and registrars
25 set forth at Appendix B must be ordered to immediately make inaccessible, and/or remove from
26 the Internet zone file, and/or prevent registration of the domains set forth in Appendix B.

27 10. There is good cause to believe that if Defendants are provided advance notice of
28 Microsoft's TRO Application or this Order, they would move the botnet infrastructure, allowing

1 them to continue their misconduct and would destroy, move, hide, conceal, or otherwise make
2 inaccessible to the Court evidence of their misconduct, the botnet's activity, the infringing
3 materials, the instrumentalities used to make the infringing materials, and the records evidencing
4 the manufacture and distributing of the infringing materials.

5 11. There is good cause to permit notice of the instant order, notice of the Preliminary
6 Injunction hearing and service of the Complaint by formal and alternative means, given the
7 exigency of the circumstances and the need for prompt relief. The following means of service are
8 authorized by law, satisfy Due Process, satisfy Fed. R. Civ. Pro. 4(f)(3), and are reasonably
9 calculated to notify defendants of the instant order, the Preliminary Injunction hearing and of this
10 action: (1) personal delivery upon defendants who provided to the data centers and Internet
11 hosting providers contact information in the U.S.; (2) personal delivery through the Hague
12 Convention on Service Abroad or other treaties upon defendants who provided contact
13 information outside the United States; (3) transmission by e-mail, facsimile, and mail to the
14 contact information provided by defendants to the data centers, Internet hosting providers, and
15 domain registrars who host the software code associated with the IP addresses in Appendix A, or
16 through which domains in Appendix B are registered; and (4) publishing notice to the Defendants
17 on a publicly available Internet website.

18 12. There is good cause to believe that the harm to Microsoft of denying the relief
19 requested in its TRO Application outweighs any harm to any legitimate interests of Defendants
20 and that there is no undue burden to any third party.

21 **TEMPORARY RESTRAINING ORDER AND SEIZURE ORDER**

22 **IT IS THEREFORE ORDERED** as follows:

23 A. Defendants and their representatives are temporarily restrained and enjoined from
24 intentionally accessing and sending malicious software to Microsoft's and its customers' protected
25 computers and operating systems, without authorization, in order to infect those computers and
26 make them part of the botnet; sending malicious software to configure, deploy and operate a
27 botnet; sending unsolicited spam e-mail to Microsoft's Hotmail accounts; and sending unsolicited
28 spam e-mail that falsely indicate that they are from or approved by Microsoft; or undertaking any

1 similar activity that inflicts harm on Microsoft or the public, including Microsoft's customers.

2 B. Defendants and their representatives are temporarily restrained and enjoined from
3 configuring, deploying, operating or otherwise participating in or facilitating the botnet described
4 in the TRO Application, including but not limited to the command and control software hosted at
5 and operating through the IP addresses and domains set forth herein and through any other
6 component or element of the botnet in any location.

7 C. Defendants and their representatives are temporarily restrained and enjoined from
8 using the trademarks " Microsoft," "Windows," "Hotmail," trade names, trademarks or service
9 marks, Internet Domain addresses or names, or acting in any other manner which suggests in any
10 way that Defendants' products or services come from or are somehow sponsored or affiliated with
11 Microsoft, and from otherwise unfairly competing with Microsoft, misappropriating that which
12 rightfully belongs to Microsoft, or passing off their goods as Microsoft's.

13 D. Defendants and their representatives are temporarily restrained and enjoined from
14 infringing Microsoft's registered trademarks, Registration Nos. 1200236, 2165601, 2463510 and
15 others.

16 E. Defendants and their representatives are temporarily restrained and enjoined from
17 using in connection with Defendants' activities any false or deceptive designation, representation
18 or description of Defendants' or of their representatives' activities, whether by symbols, words,
19 designs or statements, which would damage or injure Microsoft or give Defendants an unfair
20 competitive advantage or result in deception of consumers.

21 F. The data centers and Internet hosting providers identified in Appendix A to this
22 order:

23 1. Shall completely refrain from providing any notice or warning to, or
24 communicating in any way with, Defendants, Defendants' representatives, or any other persons
25 associated with the IP addresses in Appendix A, including customers and resellers, and shall
26 refrain from publicizing this Order until this Order is executed in full, except as explicitly
27 provided for in this Order;

28 2. Shall immediately take all reasonable steps necessary to completely block

1 all access by Defendants, Defendants' representatives, resellers, and any other person or computer
2 to the IP addresses set forth in Appendix A, except as explicitly provided for in this Order;

7 data storage devices, software, data or media assigned to or otherwise associated with the IP
8 addresses set forth in Appendix A and make them inaccessible from any other computer on the
9 Internet, any internal network, or in any other manner, to Defendants, Defendants' representatives
10 and all other persons, except as otherwise ordered herein;

11 5. Shall immediately, completely, and until further order of this Court,
12 suspend all services associated with the IP addresses set forth in Appendix A;

13 6. Shall not enable, and shall take all reasonable steps to prevent, any
14 circumvention of this order by Defendants or Defendants' representatives associated with the IP
15 addresses or any other person;

16 7. Shall disable, and shall deny to Defendants and Defendants'
17 representatives, access to any and all "backup" systems, arrangements or services that might
18 otherwise be used to support the IP addresses set forth in Appendix A or that might otherwise be
19 used to circumvent this Order;

20 8. Shall log all attempts to connect to or communicate with the IP addresses
21 set forth in Appendix A;

22 9. Shall save all communications to or from Defendants or Defendants'
23 Representatives and/or related to the IP addresses set forth in Appendix A;

24 10. Shall preserve and retain all records and documents associated with

26 Appendix A, including billing and contact information relating to the Defendants or Defendants'
27 representatives using these servers and all logs associated with these servers;

28 11. Shall create a written inventory of all computers, servers, and electronic

1 storage devices associated with the IP addresses set forth in Appendix A; shall provide a copy of
2 such inventory to Microsoft, its attorneys and representatives, and/or the United States Marshals
3 Service; and shall secure such computers, servers, and electronic data storage devices;

4 G. Defendants' materials bearing infringing marks, the means of making the
5 counterfeit marks, and records documenting the manufacture, sale, or receipt of things involved in
6 such violation, in the possession of data centers operated by ECommerce, Inc., FDCServers.net
7 LLC, Wholesale Internet, Inc., Burstnet Technologies, Inc., and Softlayer Technologies, Inc., set
8 forth in Paragraph F of this Order, all pursuant to 15 U.S.C. §1116(d), shall be seized:

10 place no later than seven (7) days after the date of issue of this order. The seizure may continue
11 from day to day, for a period not to exceed three (3) days, until all items have been seized. The
12 seizure shall be made by the United States Marshals Service. The United States Marshals Service
13 in the judicial districts where the foregoing data centers and hosting providers are located are
14 directed to coordinate with each other and with Microsoft and its attorneys in order to carry out
15 this Order such that disablement and seizure of the servers is effected simultaneously, to ensure

12 Injunction, pending final ruling on the Complaint against the Defendants, enjoining them from the
13 conduct temporarily restrained by the preceding provisions of this Order.

14 **IT IS FURTHER ORDERED** that Microsoft shall post bond in the amount of \$173,000
15 as cash to be paid into the Court registry.
